Label Dispensers

LABELMATE label dispensers make label handling effortless with their **advanced peel-and-present design**. **Each label** is **automatically separated** from it's backing and presented at the front—ready for immediate pickup by the operator. With a wide range of models, LABELMATE dispensers deliver speed, efficiency, and reliability for virtually any labeling application. Perfect for packaging, logistics, and production lines where time and accuracy matter most.

- Save Time: Eliminate manual peeling and boost productivity.
- Compact Design: Small footprint fits easily on any desk or workstation.
- Quick Setup: Ready to use in less than 30 seconds.
- XL Stainless Steel Version: Increased autonomy for high-volume operations.
- Full Flexibility: Movable sensor adapts to multiple labels across and special shapes
- Precision Guaranteed: Media-Guide included as standard for accurate label positioning.
- Optimized Performance: Linear speed control for both short and long labels.
- User-Friendly: Easy take-up mechanism for smooth operation
- Modern Look: Improved and more attractive design for professional environments.
